

CIRCULATION

Week 2

“How good to sing praise to our God; how pleasant to give fitting praise. The LORD rebuilds Jerusalem and gathers the dispersed of Israel, healing the brokenhearted, and binding up their wounds.”
—Psalm 147:1-3

The Blood

Question Number 1

In the Old Testament, the blood was said to be the life force of all living things. Why was it sprinkled on people during animal sacrifice?

The Capillaries

Question Number 2

The vast expanse of the capillary bed carries the blood to every tissue cell in the body. About how many miles of these vessels are in the average adult human body?

The Blood Cells

Question Number 3

Which cells are the body's cellular lungs? Which cells are the defenders of the body? Which cells bind up the wounds?

Playing Your Part . . .

Ideas and Application

Reflection:

The capillaries transport the blood cells to every extremity of the body and each blood cell has a unique function.

How are you unique? Make a list below!

Do you thank God daily for these things?
